

## **Baden-Württemberg-SCHOLARSHIPS 2014/2015**

**Information for students wishing to spend 1 or 2 study semesters  
at Aalen University**

This year again, the **Baden-Württemberg STIFTUNG** is awarding **Baden-Württemberg SCHOLARSHIPS for international Students** spending 1 or 2 study semesters at Aalen University provided the students' home institutions have arrangements for cooperation with Aalen University. The scholarships are designed to promote the international exchange of highly qualified German (Outgoings) and non-German (Incoming) students. All highly qualified students attending partner institutions of Aalen University chosen for this scholarship programme and who have been accepted into the exchange program between the two institutions can apply for a **Baden-Württemberg-SCHOLARSHIP**.

The final amount of the monthly award (between € 400,- and € 800,- for undergraduates and between € 400,- and € 1.200,- for graduates/postgraduates) will be determined by Aalen University depending on total number of applications received and available budget.

**Target group:** highly qualified non-German undergraduates, graduates and postgraduates studying at partner institutions of Aalen University (partner institutions which have been selected for this scholarship programme and which award tuition waivers for students coming from Aalen University within reciprocal agreements). Scholarship holders must complete parts of their studies or research at Aalen University.

**Applications for scholarships** are to be submitted to the **International Relations Office of your home university**. Only applications that contain the following documents will be considered:

- **CV/Resume**
- **Letter of application** with information on studies, career to date and which study period is thought at
- **Copies of certificates**, such as, degrees awarded, full transcripts of records, proof of foreign language skills required for study program; in any case proof of very good English language knowledge
- **Letter of recommendation** by a professor tutoring the student explaining academic performance as well as intercultural and social competence
- **Copy of Passport**

**Applications must be received via the relevant office of your home university; students cannot apply directly to Aalen University and those applications will not be considered !!!**

**Submission date no later than 31 March 2014 at the home University (closing date)**

The decision on who will be recommended for a scholarship will be made by Aalen University based on shortlists and appraisals by the student's home university. The final decision, however, remains with the **Baden-Württemberg STIFTUNG**.
